Celebrate the Fourth of July at home.
Outdoor activities are preferred over indoor activities, but the virus can still spread outdoors.
CONSIDER YOUR SPACE

When inviting people over or going to another person’s gathering, **consider the available space.** Only host or attend events where guests have space to social distance.
If anyone in your household does not feel well, CANCEL THE GATHERING.

Remind guests to stay home if they do not feel well.
Safe Hosting Practices

- Discourage people from **gathering in groups**

- Keep a **list of guests** in case it is needed for contact tracing

- Ensure guests can practice **proper hand hygiene** (have soap and water and/or hand sanitizer available)

- Limit the use of **shared items** (e.g. use single-use towels instead of a shared hand towel)

- Consider providing **cleaning supplies** for guests to wipe down and sanitize shared surfaces (e.g. sink handles, door handles, bathrooms)
