- ENHANCEMENT SUMMARY***
In your response:
- State the problem this enhancement is designed to address
 - Describe what the enhancement is and/or how it will work
 - Describe the impact the enhancement will have on the problem

DC Public Schools (DCPS) is requesting a fixed costs enhancement of \$10,700,203.56 for FY26. This request includes \$8,629,085.39 allocated for energy expenses (51% increase from FY25) and \$2,071,118.71 for rentals, land, and structures (24.57% increase from FY25).

The central services budget for DCPS is an overall 0% increase in funding. This static budget has resulted in an overall reduction in resources, as the costs of personnel and contracts continues to grow annually. Compounding this issue, fixed costs such as energy and rentals have risen dramatically—by 51% and 25% respectively—forcing even deeper cuts to the central services budget.

As a result, the DCPS is facing a reduction of approximately 111 full-time equivalent (FTE) positions funded through local dollars, 83 of which are currently filled. These cuts have resulted in near-complete elimination of the enrollment reserve, substantial reductions in funding for technology accessories for schools, and significant cuts to resources allocated for maintenance of kitchens at schools.

AGENCIES: Use this form to provide details about enhancement requests in your agency's FY 2026 budget request.

REQUIRED SECTIONS

- Sections I-IV for ALL requests.

- Section VII for Type F requests.
- Section VI optional for all requests.

You must also submit a completed Form 2 Summary spreadsheet, including spend plan details for each enhancement request.

SECTION II. RATIONALE *Required for ALL requests*

Will legislative support be required to implement this enhancement?* YES NO
 If yes, please submit a proposed BSA subtitle using Attachment D.

Has this enhancement request been submitted in past formulation cycles?* YES NO
 If yes, in which fiscal years was it submitted? Mark all that apply.
 FY 2025 FY 2024 FY 2023 FY 2022 FY 2021

What problem facing the District will this enhancement address and why does this problem exist?*
 Please provide as much detail as possible. Responses that identify and quantify specific problems will receive more favorable consideration.

DCPS does not have the ability to predict or independently plan for fixed costs, as these estimates are determined and provided by the Department of General Services (DGS). Fixed cost estimates are finalized and communicated to DCPS only after the release of the annual MARC, leaving DCPS reliant on the information and projections provided by DGS.

How does this enhancement address this problem and its underlying causes?*
 Please provide as much detail as possible. Responses that clearly demonstrate how the proposed enhancement will address the underlying causes will receive more favorable consideration. Please describe any data the agency has collected and/or any analysis the agency has conducted to understand the problem and its potential solutions.

N/A

Is this enhancement meant to sustain a project initiated with non-local funding (e.g. ARPA, federal grants, SPRs)? YES NO
 If yes, please provide a rationale for why these non-local funds are no longer available:

N/A

How can this enhancement be scaled down to be accommodated within a constrained budget?*
 Scaling can occur in FY 2026 or the out-years and can be based on fewer residents served, scaled back staffing, adjusted implementation timeline, etc. Please add a new row for each scaled down scenario and rank the scaled down options in order of agency preference.

Use the text box below the table to provide additional detail. If the enhancement cannot be scaled down, please indicate so in the textbox.

This enhancement cannot be scaled down. These are the cost estimates established by DGS.

Fixed Cost	24 Budget	24 Actual	25 Budget	26 Estimate	FY25 to FY26
Electricity	\$15,693,449.97	\$15,859,602.55	\$16,919,223.06	\$25,548,308.45	51%
Rentals	\$8,849,257.98	\$8,796,127.20	\$8,430,883.74	\$10,502,001.91	25%

QUESTIONS SPECIFIC TO ENHANCEMENT TYPE*

Mark the appropriate enhancement type and use the space below the table to answer the questions for that enhancement type.

IF YOUR ENHANCEMENT TYPE IS...	THEN ANSWER THESE QUESTIONS...
<input type="checkbox"/> A. Restore previous reduction or one-time funding	Why is the restoration of this reduction critical for the District at this time? What negative impact will result if this reduction is not restored? Please cite any relevant agency performance measures or other data that support your response.
<input checked="" type="checkbox"/> B. Increased cost to <u>maintain</u> existing activity	Why are costs increasing to maintain existing levels of service? What are the main cost drivers and what options have the agency already implemented or considered implementing to lower these costs? <i>Changes to the number of people served or the type of services provided should be categorized as a Type D request.</i>
<input type="checkbox"/> C. Operational improvement with a strong business case	How will this enhancement help the District save money in this or future fiscal years? How much will it save?

How do the outputs or outcomes compare to those of similar programs within or outside of District government? Please cite any relevant agency performance measures or other data that support your response.
<input type="checkbox"/> E. Completely new activity with highly likely or proven positive outcomes	What will be the District's return on investment, as measured by how many and/or which District residents are served, or some other measure?

Responses to Questions*

These fixed costs increases are determined by DGS.

SECTION III. PERFORMANCE RATIONALE & IMPACT

Required for ALL requests

PERFORMANCE IMPACT

What data will the agency collect to understand the impact of this enhancement?*

Data may include measurements of the demand or need for programs over time, monitoring the quality and/or efficiency of programs, and/or assessing the impact of the enhancement on longer term goals. Please list specific data sources that will be collected and analyzed.

PERFORMANCE TEAM IS HERE TO HELP!

Need help thinking through this section or identifying data sources or performance measures? Reach out to your OBPM Performance Analyst or to Chief Performance Officer Lia Katz (lia.katz@dc.gov).

What challenges or risks does the agency anticipate related to this enhancement request? What mitigation or management strategies will the agency adopt to address those challenges?

DCPS has had to cut further into the central services operating budget including the almost near reduction of the DCPS enrollment reserve.

Will any performance measures currently in the agency's performance plan be impacted by this enhancement? What new measures will be added to understand the impact of the enhancement?*

- If you are proposing a new metric, write "NEW" in the columns for FY 2024 and FY 2025.
- Identify the "measure type: will the metric measure quantity; quality; efficiency; outcome; context; or is a District wide indicator of environmental trends.
- Please provide the previous year's data and the current year's target for the metric. Please also provide the anticipated targets for next year in the case that (a) the enhancement is funded and (b) the enhancement is not funded.
