ENHANCEMENT SUMMARY*
In your response:

- State the problem this enhancement is designed to address
- Describe what the enhancement is and/or how it will work
- Describe the impact the enhancement will have on the problem

The Office of the State Superintendent of Education - Division of Special Education Transportation (OSSE-DOT) is requesting an enhancement to restore the FY 2026 MARC reduction. OSSE-DOT requests this enhancement to comply with federal law (IDEA, Sec. 504, and FAPE) and prevent litigations for failure to comply. OSSE-DOT is federally mandated to provide transportation services to eligible students with disabilities who are residents of the District of Columbia. Failure to restore the proposed reduction could result in the District's failure to meet the maintenance of effort provision required for the receipt and use of federal IDEA funding. Given the national labor shortage of school bus drivers exacerbated by COVID and the significant spending pressure that the agency faced to close FY24, the agency cannot afford to undergo a reduction in force, which would be the only possible way to for the agency to meet its MARC requirement.

AGENCIES: Use this form to provide details about enhancement requests in your agency's FY 2026 budget request.

REQUIRED SECTIONS

- Sections I-IV for ALL requests.
- Section V for Type D/E requests. *Types A, B, and C can complete this section to be considered for an evidence rating.*
- Section VII for Type F requests.
- Section VI optional for all requests.

You must also submit a completed Form 2 Summary spreadsheet, including spend plan details for each enhancement request.

IMPORTANT: Agencies are limited to three Type D & E enhancement requests for FY 2026. If more than three Type D & E enhancements are submitted, OBPM will only consider and analyze the highest ranked.

RACIAL EQUITY BUDGET TOOL (REBT)
The Office of Racial Equity (ORE) has developed the Racial Equity Budget Tool (REBT) to guide agencies in assessing how their budgets benefit and/or negatively impact communities based on race, specifically Black,

EDITING RESTRICTIONS: This form uses editing restrictions to ensure consistent displays of information. If needed, the restrictions can be disabled by going to the Review tab at the top of the window, clicking on Protect, then Restrict Editing, and clicking Stop Protection. If prompted for a password, click OK.

Will legislative support be required to implement this enhancement?* YES NO

If yes, please submit a proposed BSA subtitle using Attachment D.

SECTION II. RATIONALE

Required for ALL requests

Has this enhancement request been submitted in past formulation cycles?*

If yes, in which fiscal years was it submitted? Mark all that apply.

YES NO

FY 2025 FY 2024 FY 2023 FY 2022 FY 2021

What problem facing the District will this enhancement address and why does this problem exist?*

Please provide as much detail as possible. Responses that identify and quantify specific problems will receive more favorable consideration.

OSSE-DOT has a MARC of \$107,596,468 for FY26. The majority of OSSE-DOT’s locally funded budget only includes positions (PS) and fixed costs. In order to meet the required target, the agency must make reductions in personnel services in the amount of \$15,353,053.26. OSSE-DOT is requesting this enhancement for this amount to comply with federal law (IDEA, Sec. 504, and FAPE) and prevent litigation for noncompliance. OSSE-DOT is federally mandated to provide transportation services to eligible students with disabilities who are residents of the District of Columbia. To end the hiring of essential and administrative positions that support the work of the division in FY 2026 as well as reducing its force would make it impossible to deliver the federally mandated transportation services and result in violation of federal law. It would also hinder the agency’s ability to meet the maintenance of effort requirement for IDEA, jeopardizing the receipt of millions in grant funds.

The District of Columbia was a defendant in a 17-year consent decree for the failure to provide mandated transportation services for students (*Petties v. District of Columbia*). In addition, OSSE is under an active class action lawsuit where the plaintiffs are demanding OSSE-DOT to be put back under court receivership.

How does this enhancement address this problem and its underlying causes?*

Please provide as much detail as possible. Responses that clearly demonstrate how the proposed enhancement will address the underlying causes will receive more favorable consideration. Please describe any data the agency has collected and/or any analysis the agency has conducted to understand the problem and its potential solutions.

The approval of the requested enhancement will allow OSSE-DOT, on behalf of the District of Columbia, to provide transportation services to eligible students with disabilities in accordance with federal law. The agency would continue to meet the maintenance of effort required to receive and use federal IDEA funding. Additionally, this enhancement will ensure OSSE-DOT to meet its student IEP requirements and/or OCA Key Performance Indicators and Workload Measures which include: Percent of drivers and attendants active and available for work daily, percent of students arriving at school on time, percent of buses in service, and student ride time compliance.

Is this enhancement meant to sustain a project initiated with non-local funding (e.g. ARPA, federal grants, SPRs)?

If yes, please provide a rationale for why these non-local funds are no longer available:

YES NO

N/A

How can this enhancement be scaled down to be accommodated within a constrained budget?*

Scaling can occur in FY 2026 or the out-years and can be based on fewer residents served, scaled back staffing, adjusted implementation timeline, etc. Please add a new row for each scaled down scenario and rank the scaled down options in order of agency preference.

Form 2 Detail: FY 2026 Enhancement Request
FY 2026 Agency Budget Request

Use the text box below the table to provide additional detail. If the enhancement cannot be scaled down, please indicate so in the textbox.

Unfortunately, there is no other possible way to scale down the current operation without violating federal law.

SECTION II. RATIONALE (continued) *Required for ALL requests*

QUESTIONS SPECIFIC TO ENHANCEMENT TYPE*

Mark the appropriate enhancement type and use the space below the table to answer the questions for that enhancement type.

IF YOUR ENHANCEMENT TYPE IS...	THEN ANSWER THESE QUESTIONS...
<input checked="" type="checkbox"/> A. Restore previous reduction or one-time funding	Why is the restoration of this reduction critical for the District at this time? What negative impact will result if this reduction is not restored? Please cite any relevant agency performance measures or other data that support your response.
<input type="checkbox"/> B. Increased cost to <u>maintain</u> existing activity	Why are costs increasing to maintain existing levels of service? What are the main cost drivers and what options have the agency already implemented or considered implementing to lower these costs? <i>Changes to the number of people served or the type of services provided should be categorized as a Type D request.</i>
<input type="checkbox"/> C. Operational improvement with a strong business case	How will this enhancement help the District save money in this or future fiscal years? How much will it save?
<input type="checkbox"/> D. Expand high-performing existing activity	Why is this program or activity considered to be high performing? How do the outputs or outcomes compare to those of similar programs within or outside of District government? Please cite any relevant agency performance measures or other data that support your response.
<input type="checkbox"/> E. Completely new activity with highly likely or proven positive outcomes	What will be the District's return on investment, as measured by how many and/or which District residents are served, or some other measure?

Responses to Questions*

OSSE-DOT must reduce its budget by \$15,353,053.26 to meet its MARC. The restoration of MARC will allow OSSE-DOT to meet the federally mandated requirement of IDEA, Section 504 of the Rehabilitation Act and FAPE. The District of Columbia will benefit from this enhancement because it will drastically reduce the risk of litigation and continue to support the increase in student attendance and student performance. Failure to restore the requested amount will result in additional litigation costs and a reduction in federal grants.

SECTION III. PERFORMANCE RATIONALE & IMPACT *Required for ALL requests*

PERFORMANCE IMPACT

What data will the agency collect to understand the impact of this enhancement?*

Data may include measurements of the demand or need for programs over time, monitoring the quality and/or efficiency of programs, and/or assessing the impact of the enhancement on longer term goals. Please list specific data sources that will be collected and analyzed.

The agency will continue to collect its key performance indicator to ensure every student eligible for transportation receives safe, consistent, and reliable transportation.

PERFORMANCE TEAM IS HERE TO HELP!
 Need help thinking through this section or identifying data sources or performance measures? Reach out to your OBPM Performance Analyst or to Chief Performance Officer Lia Katz (lia.katz@dc.gov).

What challenges or risks does the agency anticipate related to this enhancement request? What mitigation or management strategies will the agency adopt to address those challenges?

Failure to support this enhancement will hinder OSSE-DOT's ability to provide federally mandated to provide transportation services to eligible students with disabilities who are residents of the District of Columbia, while risking the loss of critical federal funds and additional litigation.

Will any performance measures currently in the agency's performance plan be impacted by this enhancement? What new measures will be added to understand the impact of the enhancement?*

- If you are proposing a new metric, write "NEW" in the columns for FY 2024 and FY 2025.
- Identify the "measure type: will the metric measure quantity; quality; efficiency; outcome; context; or is a District wide indicator of environmental trends.
- Please provide the previous year's data and the current year's target for the metric. Please also provide the anticipated targets for next year in the case that (a) the enhancement is funded and (b) the enhancement is not funded.

Performance Measure	New for FY26?	Measure Type	Which direction is desired?	FY 2024 Actual	FY 2025 Target	Anticipated FY 2026 Target	
						With enhancement funding	Without enhancement funding

SECTION IV. BUDGETING FOR RACIAL EQUITY

Required for ALL requests

Is one of the goals of this enhancement to reduce or eliminate a racial equity gap?*

YES NO

Which of the four goals in the District's [Racial Equity Action Plan](#) (REAP) or your agency specific REAP does this enhancement request advance?* Check all that apply.

- 1. Improving DC Government staff understanding and commitment to achieving racial equity (e.g., training, capacity building, or use of racial equity tools)
- 2. Reducing or eliminating a known racial and ethnic inequity (domains include housing, health, economic opportunity, safety, education, neighborhood life, and civic engagement)
- 3. Enhancing opportunities to meaningfully engage DC residents in decision-making processes and strengthening partnerships
- 4. Improving DC government ability to be an equitable employer and engage in racially equitable hiring, promotion, and retention practices (e.g., building pipelines with HBCU/HSI, staff development funds, or community of practice on hiring)

What racial inequity or REAP sub-goal(s) does this enhancement request address?*

For example, health disparity, educational gap, disproportionality in housing, bolstering existing community resources, etc. Please be as specific as possible. For REAP goals, please list the specific action (e.g. 1B, see District's REAP for supporting actions).

Currently, the majority of eligible students receiving transportation service from OSSE-DOT reside in historically underserved communities in Wards 7 and 8. However, the most frequent bus service complaints received by OSSE are from parents who live *outside* of Wards 7 and 8. This may indicate the possibility of our residents in Wards 7 and 8 not having equitable access to information and/or resources to be able to voice their concern. If transportation services are impacted by the shortage of personnel or lack of adequate funding, the strongest impact will be felt by residents of Wards 7 and 8, which will greatly exasperate those residents' access to quality services and education.

What is the rationale for addressing the inequity in this way and/or with this program?*

For example, is the enhancement in response to a legislative requirement or mandate, community engagement efforts, demographic data, or something else?

OSSE-DOT is lawfully required to provide transportation services to eligible students with disabilities under federal law (IDEA, Sec. 504, and FAPE). The objective of the federal laws associated with OSSE-DOT is to ensure equitable access to education for all students with disabilities.

In what ways have you meaningfully involved internal and external stakeholders in the development of your agency's budget request, including staff and communities of color?* See ORE's [Meaningful Community Engagement Guide](#).

Parents, education advocates, Local Education Agencies (LEAs), and other stakeholders continue to provide valuable insight to inform the agency's budget and operation process. OSSE-DOT currently has a monthly Transportation Working Group (TWG) with education advocates and LEA representatives, where members have offered numerous useful feedback on

Form 2 Detail: FY 2026 Enhancement Request
FY 2026 Agency Budget Request

agency operations. The agency also runs the Transportation Advisory Council (TAC) where parents have also offered similar support and feedback.

If this budget enhancement could potentially cause unintended benefits or burdens, please detail what racial or ethnic groups might be positively or negatively impacted.* For example, the location for a new airport could disrupt traffic patterns and create noise and air pollution that impact residents in the immediate vicinity, which could worsen racial health inequities.

This enhancement will ensure every student, regardless of age, gender, and race, receives timely transportation service. As of current, there is no anticipated negative unintended benefit or burden.

SECTION V. EVIDENCE-BASED BUDGETING

Required for Type D & E requests. Optional for Types A, B & C.

This section is required for all Type D and E enhancement requests that would expand existing activities or launch completely new activities. This section may be completed for Type A, B and C enhancement requests to be considered for an evidence rating.

If the activities described in this enhancement are successfully implemented, what outcome(s) will improve?* OBPM expects that it will be possible for agencies to identify for almost all enhancement requests a new performance measure (Section III of this form) that aligns with the outcome measures identified in the evidence provided. If this is not feasible, please explain below.

Click or tap here to enter text.

What evidence supports the likelihood that this enhancement will achieve the desired outcome?*

Please describe the quantitative studies or other measures that show the outcomes of similar efforts previously undertaken in the District or in other cities (see sidebar for what OBPM will look for to review enhancements as evidence-based or supported by preliminary evidence). Provide links to cite your sources, which may include formal evaluation studies, evidence standards, or evidence clearinghouses.

Click or tap here to enter text.

Which parts of your enhancement are identical to the model(s) the evidence comes from?*

As applicable, your answer should describe sameness in the target population, intervention, and availability of inputs/resources needed, etc.

Click or tap here to enter text.

Which parts of your enhancement are different from the model(s) evaluated in the studies linked?*

Explain why deviations are necessary for success in DC.

Click or tap here to enter text.

Are you building or planning to build evidence to support this enhancement using a formal program evaluation?*

YES NO

If yes, please describe or link below to the planned evaluation design, research question(s), and timeline for results.

Click or tap here to enter text.

THE LAB@DC TEAM IS HERE TO HELP!

Have questions about the evidence? Email the.lab@dc.gov (and CC your OBPM Budget Analyst). The Lab can pre-review evidence, brainstorm future evaluation ideas, offer suggestions on where to look for evidence, and help you think through the evidence you've found.

HELPFUL TIPS TO GET STARTED:

In general, evidence ratings follow the principles listed below; the quality of the evidence provided and how well it matches the enhancement may also affect the final evidence rating:

- Experimental studies (also called randomized evaluations or randomized control trials) that show that a program or intervention *caused* an outcome may receive a **STRONG/4-star** evidence rating
- Quasi-experimental studies that suggest that a program or intervention *caused* an outcome by comparing outcomes between the group receiving the enhancement and a very similar group that doesn't receive the enhancement may receive a **MODERATE/3-star** evidence rating
- Correlational studies with appropriate statistical controls may receive a **PROMISING/2-star** evidence rating
- Before-and-after comparison studies (also called pre-post comparison studies) may receive a **SOME/1-star** evidence rating

Consider the positive impact(s) this enhancement should have on District residents or government operations. These are the outcome(s) of the enhancement. Try searching [Google Scholar](#) or a similar database for relevant existing research. Government evidence clearinghouses (like [What Works Clearinghouse](#) for education and [CrimeSolutions](#) for public safety) are also good places to search according to specialized topics.

SECTION VI. PROJECT PLAN *Optional for All Requests*

This section is optional. However, it is recommended for Type D and E enhancement requests that would expand existing activities or launch completely new activities.

This project plan can be used to show how the agency will deliver the intended results before the end of the fiscal year. Complete as best you can, knowing the plan might evolve.
